

2017 KRISTEN YARGER MEMORIAL SCHOLARSHIP

SPONSORED BY: SPRINGFIELD HUMAN RESOURCE MANAGEMENT ASSOCIATION (SHRMA)

The Springfield Human Resource Management Association (SHRMA), is a progressive and professional organization established to provide a means for the exchange of ideas and the discussion of problems common to human resource administration. Our organization strives to encourage and improve the operating standards of performance in the human resource profession. We are committed to educating our members to better understand current human resource issues. As a part of this educational process, SHRMA strives to provide educational and real world opportunities to young people who would like to pursue a career in the human resources field. Our organization would like to assist students in the pursuit of a human resource career by making scholarships available.

Toward this end, a scholarship fund was created in 1990 and renamed in memory of Kristen Yarger in 1996. During her tenure as an active member of SHRMA, Kristen served as Education Chair for several years and was instrumental in reestablishing connections between SHRMA and Cedarville University. Kristen's goal was to instill in students a love and professionalism of human resources as a career. Kristen spearheaded the scholarship fund and was influential in establishing criteria for the scholarship. Thus, is it only fitting that we dedicate this award in her memory.

Two scholarships in the amount of \$1,000 each may be awarded to students who are pursuing a career in Business, Organizational Development, Organizational Design or Human Resources Management. The recipients will receive this one-time scholarship amount at the SHRMA meeting on November 9, 2017. The check will be made payable to the recipients and their respective institutions.
