**Does your organization have a target market of regional human resources professionals?**

The Springfield Human Resource Management Association (SHRMA) invites your company to be a luncheon sponsor. The members of SHRMA are human resources professionals who represent a number of companies in the Clark County area. Because HR partners serve as a valuable resource to us in our daily work, this is your opportunity to showcase your services to SHRMA members. We strongly encourage our members to support our HR partners and invite you to market your organization or services to them.
